**HOLIDAY BREAK : Term 1 finishes tomorrow,  
Friday 13<sup>th</sup> April at 2.55pm and school recommences on  
Monday, 30<sup>th</sup> April 2018 at 8.55am.**

Kia Ora Parents and Whanau

Firstly thank you to all those parents and caregivers who were able to make it to our Goal Setting Meetings last week. These meetings were an opportunity for the students to share what they are currently learning and aiming to achieve. If you were unable to attend a meeting, please contact your child's teacher to make an alternative appointment time.

I wanted to say how sorry we were that the Noho Marae trip had to be postponed. This was completely unforeseen but it is important that we respect and acknowledge the tangi process. There has been considerable time and effort put into the organisation of this and I wanted to again acknowledge Whaea Belinda and Whaea Tamika and their work around the trip. We look forward to it going ahead next term.

Next term, we welcome Pam Speight who is joining us from Auckland. Pam will be teaching in Room 9 for the term, while the other Pam is on leave. Pam Speight comes with considerable experience and is enthusiastic about joining our school community.

One thing I did want to mention is as we head into the winter months, please ensure your child is wrapped up warmly. This week has been quite cold and many children are just in short sleeve t-shirts. A reminder that next term, the children do not need to wear sunhats.

Finally I wanted to wish you all a restful and enjoyable holiday break. Hopefully you are able to spend some time with your family and the children come back well rested for next term. Who knows, maybe we will even get some snow!

Noho ora mai

## **SUPPORT SUSTAINABLE COASTLINES MOBILE PHONE APPEAL**

It would be great if you could rummage around in your drawers and toy boxes and bring into School any unwanted mobile phones you may have. Help our School gain valuable rewards and the environment benefits too by keeping our landfills free of mobile phones and their array of hazardous toxic substances. Please drop the phones in the box in the Admin Block foyer.

## **KAN TABS FOR KIDNEY KIDS**

### **(AND SCREW TOPS FROM WINE BOTTLES)**

Your contribution **DOES** make a difference. Collect tabs and tops from your relatives, friends and neighbours.

“Each time a tab is torn from a can and placed in a pocket or a bag, a conscious thought is made to support a sick child.” *The Kan Tab is **A Symbol for Hope**. It is estimated that one tab is worth one second of hope and support for a child waiting for a better chance of life through dialysis or a kidney transplant.*

When you have a beer, a coke or any of your favourite beverages, or open a tin - tear off the tab and save it. Screw tops from wine bottles are also part of this campaign.

**Keep the Kan Tabs and screw tops separate and take them to Nayland Primary School office.**
