Kia Ora Parents and Whanau

It is really interesting being involved in student learning and seeing the many opportunities which come along for students to meet people that they admire. On Wednesday next week we have the Southern Steel netball team visiting our school! This is certainly a fabulous opportunity for our netballers to meet highly skilled athletes who work hard to achieve well! In addition to this wonderful experience *Hannah* and *Alizae*, along with Dallas, will be touring with the team for the day, including having lunch together in Mapua and visiting two other schools.

Thank you for your support of the teacher strike yesterday. We now wait to see what steps our union and the government take to resolve the situation of teacher shortage, workload and pay parity with similar professions.

Today our senior students are taking part in the Interschool Tackle Sevens Tournament. We know that all will commit their best efforts and sportsmanship; this is another great event for our students.

Continuing with our sports events, next week we have tennis sessions for all Year 3–6 students; and teams taking part in the Regional Hockey Tournament : Year 3-4 on Tuesday and Year 5-6 on Thursday.

Reporting to parents is a very important part of our role as teachers. Earlier in the year, when we asked for your opinions about our reporting processes, we also asked for volunteers to come and share their ideas about the style and content of our end of year report. There is still an opportunity for you to join this discussion. Come along and meet with us on Tuesday 21<sup>st</sup> August at 9.00am to share your thoughts!

Each year our school supports Daffodil Day, so we ask students to bring along a coin and place it on the daffodil drawing on the netball court on 31<sup>st</sup> August. Thanks to Mrs Watson and her student helpers who are organising this worthy fundraiser.

Thanks to everyone who is supporting our school. We value your input and the time which you give to help us provide effective learning for your children.

Good luck to all students taking part in the Interschool Hockey Tournaments next Tuesday and Thursday.

Noho ora mai

# ORAL HEALTH

Did you know?

Your child's toothbrush may not be doing a good job. Hard and stiff bristles can damage teeth and gums and bristles that are too worn will not ensure a proper clean.

Choose a toothbrush with soft bristles and change it every 3 months or when the bristles start to wear, whichever comes first.

# KAN TABS FOR KIDNEY KIDS

## **(AND SCREW TOPS FROM WINE BOTTLES)**

Your contribution **DOES** make a difference. Collect tabs and tops from your relatives, friends and neighbours.

"Each time a tab is torn from a can and placed in a pocket or a bag, a conscious thought is made to support a sick child." *The Kan Tab is **A Symbol for Hope**. It is estimated that one tab is worth one second of hope and support for a child waiting for a better chance of life through dialysis or a kidney transplant.*

When you have a beer, a coke or any of your favourite beverages, or open a tin - tear off the tab and save it. Screw tops from wine bottles are also part of this campaign.

**Keep the Kan Tabs and screw tops separate and take them to Nayland Primary School office.**
