Kia Ora Parents and Whanau

Last Friday our whole school competed in the Nelson Arts Festival Masked Parade. This colourful event was really enjoyed by everybody. Our school looked magnificent with their weird and wonderful creature masks. Many thanks to all our families who joined us for the parade and dropped off/picked up their children on time. Also sincere thanks to *Jacquie Arnold* and her team.

St John's tutors are working with all Moana and Maunga Syndicate classes on camp first aid skills this week. This is good preparation for when our students go on camps in future, in terms of keeping themselves safe.

After consultation with students, staff and the Board of Trustees our Kapa Haka Group has been named "*Te Ara Paerangi*", [*The Path That Leads to the Horizons*]. The group perform often in the community so it is great to have a new name for them.

You will have heard the news that teachers and principals have voted to strike all day on Thursday, 15<sup>th</sup> November as their way of letting the government know that the current offer of conditions of service, including pay, are unacceptable. It is very important that the teacher profession conditions of service and pay are relative to those in the private sector in order to attract high calibre people into teaching. Our school will be closed on that day so you will need to keep your children at home.

Our parent/staff revue 'Nightmare on Nayland' which is being held at the Broadgreen Intermediate Hall had a very successful opening night last Saturday. 9 tickets have become available for this Friday 2 November and 6 tickets for Saturday 3 November. Please go to the office with your money if you would like to buy some of these tickets. We now have enough helpers for both shows – your support is greatly appreciated.

At their recent meeting our Board of Trustees agreed that we would use the App *Skool Loop* as a way for parents to receive school information including newsletters, view the school calendar and report absences. While this App is free to use it does have, along the bottom of each page, an advertising component so if you have a business and would like to advertise on *Skool Loop* please call their advertising team on 03 375 0765. The cost is \$275+GST per year. If you wish to view this App download *Skool Loop* and choose a NZ school. We hope to have this fully operational for our school before the end of the year.

Best wishes to all students participating tomorrow in this week's session of the Interschool Gymnastics Festival.

### **SUPPORT SUSTAINABLE COASTLINES MOBILE PHONE APPEAL**

It would be great if you could rummage around in your drawers and toy boxes and bring into School any unwanted mobile phones you may have. Help our School gain valuable rewards and the environment benefits too by keeping our landfills free of mobile phones and their array of hazardous toxic substances. Please drop the phones in the box in the Admin Block foyer.

## **KAN TABS FOR KIDNEY KIDS**

### **(AND SCREW TOPS FROM WINE BOTTLES)**

Your contribution **DOES** make a difference. Collect tabs and tops from your relatives, friends and neighbours.

“Each time a tab is torn from a can and placed in a pocket or a bag, a conscious thought is made to support a sick child.” *The Kan Tab is **A Symbol for Hope**. It is estimated that one tab is worth one second of hope and support for a child waiting for a better chance of life through dialysis or a kidney transplant.*

When you have a beer, a coke or any of your favourite beverages, or open a tin - tear off the tab and save it. Screw tops from wine bottles are also part of this campaign.

**Keep the Kan Tabs and screw tops separate and take them to Nayland Primary School office.**
