Kia Ora te Whanau

Another busy week is almost over! This week we have had students learning to play volleyball and our Goal Setting Meetings. Next week is also full of activities with cricket skills development for Whenua and Awa, more volleyball coaching for Moana and Maunga students, musician and performer Kath Bee visiting Whenua and Awa on Monday, our Kapa Haka Group performing at Te Hui Nga Whetu on Thursday and our End of Term Assembly at 9am on Friday! During lunchtimes next week students will be showcasing their learning through our inquiry unit “Express Yourself” - see below for what’s on each day - we’d love you to join us for these events!

This week it has been great to welcome Pam Shaw back to Room 9. As Pam has returned from knee surgery, I wish to sincerely thank Sara Taylor who taught in that room during Pam’s absence this term; and Jo Brydon who taught in Rooms 4 and 7.

The Mufti Day fundraiser, for our school family who lost everything in a recent house fire, will be held on Wednesday next week. All families are encouraged to donate one grocery item and in return all children can wear mufti to school. For families who wish to donate coins, these will be used to purchase butcher and bakery vouchers. Thanks to Matthew and his helpers who will have grocery boxes ready on Room 4 deck.

An amazing number of students have completed their 50 nights of reading! What a fabulous effort! Please encourage your children to keep reading - there is still time to achieve awards before the end of term!

Congratulations to *Matilda* and *Ciara* who represented our school at the Interschool Speech Competition last week. Both girls were fabulous ambassadors for our school! *Matilda* was placed second in this event – well done!

A reminder that next term everyone will need to wear brimmed sunhats during break times. Our “No Hat Play in the Shade” guideline will be in place for Term 4 and also for Term 1 next year. Hats are available from The Warehouse in the city. Please name your children’s hats – using a twink pen on the insides is a good way to do this.

Nayland Primary School is entering in the Nelson Arts Festival Masked Parade this year. Please keep this night free - further information and permission slips will be sent home closer to the time. The theme for this year is 'Weird and Wonderful'. Classes are beginning to design and create the masks they will be wearing in the parade.

We are now on the hunt for resources to create our masks. If you have a supply of heavy cardboard, polystyrene, material (eg, light coloured or old white bed sheets, calico etc), plastic foam sheets, old camping or yoga mats, pool noodles, or any other suitable mask making resources, please inform your classroom teacher or

Jacque Arnold (Room 3).

Thank you.

2019 INFORMATION TO SUPPORT CLASS PLACEMENT

Early next term staff will start developing class lists for 2019. Our teachers know our students very well and make sound judgements in student class placement using social, academic and behavioural information. If you have any information that you have not shared with your children's teachers which you believe will support the placement of your child please send this to me in writing before the end of term. Please note that this is not an opportunity to request teachers and I cannot accept information after this date.

SUPPORT SUSTAINABLE COASTLINES MOBILE PHONE APPEAL

It would be great if you could rummage around in your drawers and toy boxes and bring into School any unwanted mobile phones you may have. Help our School gain valuable rewards and the environment benefits too by keeping our landfills free of mobile phones and their array of hazardous toxic substances. Please drop the phones in the box in the Admin Block foyer.

KAN TABS FOR KIDNEY KIDS

(AND SCREW TOPS FROM WINE BOTTLES)

Your contribution **DOES** make a difference. Collect tabs and tops from your relatives, friends and neighbours.

“Each time a tab is torn from a can and placed in a pocket or a bag, a conscious thought is made to support a sick child.” *The Kan Tab is **A Symbol for Hope**. It is estimated that one tab is worth one second of hope and support for a child waiting for a better chance of life through dialysis or a kidney transplant.*

When you have a beer, a coke or any of your favourite beverages, or open a tin - tear off the tab and save it. Screw tops from wine bottles are also part of this campaign.

Keep the Kan Tabs and screw tops separate and take them to Nayland Primary School office.
