Kia Ora Families and Whanau

What a great afternoon we had at Goofy Games yesterday! Students completed many fun activities in their house teams during the afternoon. The emphasis was on trying new games and working together to complete activities. It was fabulous to see our older students supporting those younger and to see everyone cheering for their teams. Co-operation and collaboration, along with self-regulation are important lifelong skills and these games gave every opportunity to practise them.

We now have a trophy for Goofy Games which will be awarded to the House with the most points after the rotations. Our sincere thanks to Paul Mann who made the trophy and to the Parkins family for donating it to our school. This trophy will be presented at the end of term assembly on Thursday 11 April.

It's going to be massive, it's going to be *fun* and it's going to make you some money!! Turn your unwanted treasures into cash by having a clean out and bringing your stuff along to our Giant Garage Sale on Friday 6<sup>th</sup> April in the staff carpark between 5.00 and 7.00pm. This is a FACT fundraiser and will cost you only \$10 to reserve a space for your car! Email Tena now at [stml@ts.co.nz](mailto:stml@ts.co.nz) to book in! Easter is an awesome time to get the kids to help you declutter!

Two weeks ago the Fundraising And Community Team held their Annual Meeting where they elected office holders and committee members for the year ahead. Congratulations are extended to Sue Haynes - Chairperson, Anna Marks - Secretary and Tanya Swann – Treasurer. Thanks to the other eight people who were elected to the committee. This group of dedicated parents work hard raising funds for our school and contacting parents to help develop a sense of community at Nayland Primary. You can join the committee by leaving your name at the office, or you can join the FACT Friends Team and support fundraising in this way. The Friends team assist with activities, however they do not come along to meetings. Their support is greatly valued.

I hope that you have been having some interesting conversations within your family about how you would like us to report on your child's achievement at school. Please remember to complete the survey sent home last week and return it to school this or next week.

*Congratulations to Ollie, Cory and Jayden* who, with Mr Canning's support, successfully organised a Wheels Day for each syndicate last week. Lots of fun was had by everyone who took part and \$281.20 was raised for the Cyclone Relief Fund for families in Tonga. What I really loved about this activity is that the idea came from the three boys and they followed it through to a successful conclusion. Well done!

Noho ora mai

## SUPPORT SUSTAINABLE COASTLINES MOBILE PHONE APPEAL

It would be great if you could rummage around in your drawers and toy boxes and bring into School any unwanted mobile phones you may have. Help our School gain valuable rewards and the environment benefits too by keeping our landfills free of mobile phones and their array of hazardous toxic substances. Please drop the phones in the box in the Admin Block foyer.

## KAN TABS FOR KIDNEY KIDS

### (AND SCREW TOPS FROM WINE BOTTLES)

Your contribution **DOES** make a difference. Collect tabs and tops from your relatives, friends and neighbours.

"Each time a tab is torn from a can and placed in a pocket or a bag, a conscious thought is made to support a sick child." *The Kan Tab is A Symbol for Hope. It is estimated that one tab is worth one second of hope and support for a child waiting for a better chance of life through dialysis or a kidney transplant.*

When you have a beer, a coke or any of your favourite beverages, or open a tin - tear off the tab and save it. Screw tops from wine bottles are also part of this campaign.

**Keep the Kan Tabs and screw tops separate and take them to Nayland Primary School office.**
