Kia Ora Parents and Whanau

This week is all about offering some new experiences for our students! Our Year 3-6 classes have been involved in tennis coaching - the rain has held off and students have enjoyed being out trying a new sport. Unfortunately on Tuesday the Year 3 and 4 Hockey Tournament was cancelled due to bad weather.

Many times I have talked about the fabulous sponsorship which we receive from our community. We are now very fortunate to have Thrifty Rentals purchasing for us warm jackets for our senior netball team, which will be great for the team to wear to and from their games in the future. A huge thanks to Thrifty for their generous donation!

Have you ever wondered how Maths can be fun for kids? Be sure to talk to your children each day next week about what happened for the Nayland Primary Maths Week. Each day a Mathemagician will appear and share clues to solve problems, so at the end of the week everyone will have their answers to put into a prize draw! Problem solving is an important part of Maths - be sure to enjoy the fun with your children!

Thank you to all of our families who supported the Fundraising Team BBQ at lunchtime yesterday. It always amazes me how so many sausages and hamburgers can be cooked so efficiently that everyone has lunch on time. Thanks to everyone who was involved in this lunchtime fundraiser.

Preparation is now underway for our Term Three Goal Setting Meetings. These discussions between you, your children and their teachers are being held on Wednesday 19 and Thursday 20 September, between 3.15 and 7.15pm. Please keep one of these dates free so that you come along and share your children's goals with them. Booking information is included in the notice below.

Our major fundraiser this year is the Nayland Primary School Parent Revue. This cabaret style show, Nightmare on Nayland, involves a dedicated group of 38 members of our staff and parent community performing a variety of routines to enhance the storyline! Show nights are October 27th, November 2nd and November 3rd. As alcohol is for sale this show is restricted to an R18 audience and tickets, \$30 each, will be sold through the office from mid September. Seating for the show is in tables of ten so I encourage you to get a group together and make a booking for a night of fun and laughter as soon as tickets go on sale.

Yesterday we were absolutely privileged to have the Southern Steel netball team with us. The team met our netballers for a skills session and spent time discussing their games, while sharing some of the qualities needed to be an elite sportsperson. *Hannah, Alizae and Dallas* had a great day out with the team! Sincere thanks to everyone who made this happen!

Good luck to all Maunga students taking part in the Stoke Cluster Winter Tournament on Tuesday.

SUPPORT SUSTAINABLE COASTLINES MOBILE PHONE APPEAL

It would be great if you could rummage around in your drawers and toy boxes and bring into School any unwanted mobile phones you may have. Help our School gain valuable rewards and the environment benefits too by keeping our landfills free of mobile phones and their array of hazardous toxic substances. Please drop the phones in the box in the Admin Block foyer.

KAN TABS FOR KIDNEY KIDS

(AND SCREW TOPS FROM WINE BOTTLES)

Your contribution **DOES** make a difference. Collect tabs and tops from your relatives, friends and neighbours.

“Each time a tab is torn from a can and placed in a pocket or a bag, a conscious thought is made to support a sick child.” **The Kan Tab is A Symbol for Hope.** It is estimated that one tab is worth one second of hope and support for a child waiting for a better chance of life through dialysis or a kidney transplant.

When you have a beer, a coke or any of your favourite beverages, or open a tin - tear off the tab and save it. Screw tops from wine bottles are also part of this campaign.

Keep the Kan Tabs and screw tops separate and take them to Nayland Primary School office.
