Kia Ora Parents and Whanau

Thank you to all families and whanau who came along to our student led conferences last week. It was really interesting listening to your children sharing their learning journey in a relaxed manner. In our busy lives your children don't often get focused one to one time with you, so not only are these conferences great for learning, they are also great for developing relationships. Reports which summarise Terms One and Two achievement will be sent home next week.

As a school we get some amazing community support and this week we are pleased to share with you how Room 2 have received some gardening products from Mitre 10. Each class member wrote their own persuasive letter to Mitre 10 sharing how fabulous it would be to have new plants and composting products for our school garden. The response from Mitre 10 was very generous - we have no doubt our school will have a stunning garden this year!!

On Tuesday evening our Jump Jam team competed in the Jump Jam Regional Competition. The team have been practising twice a week at lunchtime during this term and part of last term, with guidance from Mrs Arnold and Miss Crossett. They performed brilliantly and were strong ambassadors for our school. Earlier in the day, we had Brett Fairweather join our team in inspiring the next year of Jump Jammers.

We are all very much looking forward to this Friday's Matariki Celebration. Whaea Belinda and Whaea Tamika have spent a considerable amount of time and effort in the organisation of this special event and we thank them for it. At present there are over 200 members of our community coming, and if the weather holds out, it will be a lovely evening.

Finally we would like to give our best wishes to all the children representing our school at the Regional Cross Country on Friday. We hope you have all been training hard and are sure you will represent our school with pride.

NAYLAND PRIMARY JUMP JAM PERFORMANCE TEAM

with Jump Jam Founder Brett.

The team gained 6th place at the Nelson Jump Jam Competition held at Nelson College on Tuesday evening.

They practised twice weekly since mid Term 1.

Thank you Mrs Arnold and Miss Crossett.

STUDENT ABSENCE Please phone the school on 5477399 Extension 1 or text 021 629 635 before 9.00am to advise if your child is absent. When students are away for **more than three days** for non-medical reasons, a letter from a parent explaining their absence is required. When students are away due to illness for **more than three days** a Medical Certificate is requested. We ask that parents who send a text or leave messages on the Absentee Line advise the reason for students' absence to ensure accurate recording.

SUPPORT SUSTAINABLE COASTLINES MOBILE PHONE APPEAL

It would be great if you could rummage around in your drawers and toy boxes and bring into School any unwanted mobile phones you may have. Help our School gain valuable rewards

and the environment benefits too by keeping our landfills free of mobile phones and their array of hazardous toxic substances. Please drop the phones in the box in the Admin Block foyer.

KAN TABS FOR KIDNEY KIDS

(AND SCREW TOPS FROM WINE BOTTLES)

Your contribution **DOES** make a difference. Collect tabs and tops from your relatives, friends and neighbours.

“Each time a tab is torn from a can and placed in a pocket or a bag, a conscious thought is made to support a sick child.” *The Kan Tab is **A Symbol for Hope**. It is estimated that one tab is worth one second of hope and support for a child waiting for a better chance of life through dialysis or a kidney transplant.*

When you have a beer, a coke or any of your favourite beverages, or open a tin - tear off the tab and save it. Screw tops from wine bottles are also part of this campaign.

Keep the Kan Tabs and screw tops separate and take them to Nayland Primary School office.
