Kia Ora Parents and Whanau

It's Maths Week at Nayland Primary this week. Try solving the clues so that you can find the magic number on Friday with your children! The Mathmagician has new clues each day to support you in this quest! The prize draw will be at assembly at 9.30am this Friday. Be sure to come along!

Last weekend one of our school families lost all of their possessions in a house fire. The staff, Fundraising And Community Team and Friends of FACT rallied together the next day to gather up clothes and food to support these people. The generosity shown by members of our community is impressive and I am so pleased to say that the children now have clothes and toys. We may be able to help further in the weeks to come, so if you have any furniture you can donate to a family who need to re-establish themselves please leave your name at the school office. Thank you Nayland families, you are amazing!

Last week Mr Canning took a team of four senior students to the EPro8 Challenge held at Nelson Intermediate. This team of four had to work together to solve four problems within two hours. They needed to use their creative/critical thinking skills and work together as a team. Congratulations to the team of *Joanna, Josh, Shuun and Mia*, who were placed third and qualified for the regional final on September 4<sup>th</sup>. Good luck!!

Mr Canning and I have been working with a small group of parents on our Reporting to Parents format. All families completed a survey about this earlier in the year and we are now finalising our end of year student report. At our Goal Setting Meetings on 19/20 September you will be asked to comment on the new design. Please take the time to do so - we value your feedback!

Have you made your booking to attend our Term Three Goal Setting Meetings? These discussions between you, your children and their teachers are being held on Wednesday 19<sup>th</sup> and Thursday 20<sup>th</sup> September, between 3.15 and 7.15pm.

It was fabulous to receive many positive reports about our two Year 3 and 4 hockey teams who took part in the Interschool Hockey Tournament on Tuesday. It was a day of fair play, happy students supporting each other and everyone enjoying their games. Both of the Nayland Primary teams were unbeaten all day. Fantastic effort everyone!

Tomorrow we have our gold coin collection for Daffodil Day. Children are asked to place their coins on the daffodil on the court outside Room 5 before school. Thanks in advance for your support.

Good luck to all Maunga Syndicate students who will be taking part in the Winter Tournament on Tuesday.

Noho ora mai

### **SUPPORT SUSTAINABLE COASTLINES MOBILE PHONE APPEAL**

It would be great if you could rummage around in your drawers and toy boxes and bring into School any unwanted mobile phones you may have. Help our School gain valuable rewards and the environment benefits too by keeping our landfills free of mobile phones and their array of hazardous toxic substances. Please drop the phones in the box in the Admin Block foyer.

# KAN TABS FOR KIDNEY KIDS

## **(AND SCREW TOPS FROM WINE BOTTLES)**

Your contribution **DOES** make a difference. Collect tabs and tops from your relatives, friends and neighbours.

"Each time a tab is torn from a can and placed in a pocket or a bag, a conscious thought is made to support a sick child." *The Kan Tab is **A Symbol for Hope**. It is estimated that one tab is worth one second of hope and support for a child waiting for a better chance of life through dialysis or a kidney transplant.*

When you have a beer, a coke or any of your favourite beverages, or open a tin - tear off the tab and save it. Screw tops from wine bottles are also part of this campaign.

**Keep the Kan Tabs and screw tops separate and take them to Nayland Primary School office.**
