Kia Ora Parents and Whanau

I trust that you enjoyed some special family time over the Easter break. Maybe some of you have been decluttering ready for the Garage Sale in the staff carpark from 5pm this Friday – there is a notice further on in this newsletter. This will be a great place to pick up some bargains and enjoy a sausage sizzle for your tea!

Our Term 1 Goal Setting Meetings continue today from 3.15pm. At these meetings you will be able to gain an understanding of your children's learning goals and share in the development of some of these. We really value your input and involvement in your children's learning.

Thank you to everyone who returned their Reporting To Parents Survey. This information is invaluable to us in setting the reporting direction for our school. Once analysed the overall sentiments of the information will be shared via this newsletter.

Next week Mr Canning will be writing the newsletter as I will be in Adelaide attending a Master Class Seminar with Sir John Jones, an internationally renowned educator and researcher, who challenges teachers and leaders to reignite their passion for teaching by reminding them of the influence they have over the children they teach; and reinforcing the importance of their profession. I'm very much looking forward to this and will bring back many ideas to share with staff. I am travelling over to Adelaide with other Nelson principals and while there we will be visiting three schools in the city which have developed interesting programmes based on STEM learning. STEM stands for Science, Technology, Engineering and Maths. We will then visit a school in Port Augusta before heading to Streaky Bay to further develop the partnership established last year. While based at Streaky Bay we will visit the Far West Partnership schools, investigating their Literacy initiatives.

Best wishes to everyone attending the Noho Marae at Te Hora this weekend. It will be a wonderful experience. Special thanks to Whaea Belinda and Whaea Tamika who have co-ordinated the stay. The support from you all for this is really encouraging and sadly, I'm unable to be there.

I wish you a relaxing holiday break from Monday, 16th April and look forward to welcoming everyone back to school on Monday, 30th April – remember the best thing you can spend on your children is your time.

Noho ora mai

SUPPORT SUSTAINABLE COASTLINES MOBILE PHONE APPEAL

It would be great if you could rummage around in your drawers and toy boxes and bring into School any unwanted mobile phones you may have. Help our School gain valuable rewards and the environment benefits too by keeping our landfills free of mobile phones and their array of hazardous toxic substances. Please drop the phones in the box in the Admin Block foyer.

KAN TABS FOR KIDNEY KIDS

(AND SCREW TOPS FROM WINE BOTTLES)

Your contribution **DOES** make a difference. Collect tabs and tops from your relatives, friends and neighbours.

"Each time a tab is torn from a can and placed in a pocket or a bag, a conscious thought is made to support a sick child." *The Kan Tab is **A Symbol for Hope**. It is estimated that one tab is worth one second of hope and support for a child waiting for a better chance of life through dialysis or a kidney transplant.*

When you have a beer, a coke or any of your favourite beverages, or open a tin - tear off the tab and save it. Screw tops from wine bottles are also part of this campaign.

Keep the Kan Tabs and screw tops separate and take them to Nayland Primary School office.
