**HOLIDAY BREAK : Term 2 finishes tomorrow –
Friday, 6th July at 2.55pm and school recommences on
Monday, 23rd July 2018 at 8.55am.**

Kia Ora Parents and Whanau

Congratulations to our Jump Jam Team who participated in the Regional Jump Jam Competition held last Tuesday. This successful team were trained during lunchtimes with Mrs Arnold and Miss Crossett and at the competition were awarded the following:

- Excellence in Sportsmanship;
- Merit in Technical Execution;
- Merit in Presentation.

Well done everyone, you were great ambassadors for our school!

WOW, what an amazing Matariki celebration held at our school last Friday. Unfortunately I was unable to attend, however the feedback received has been very positive. With over 250 people attending, the night walk looked spectacular and the information shared by senior Kapa Haka students certainly gave those present a good understanding of the Matariki story. Our Kapa Haka students were ably led by Whaea Belinda and Whaea Tamika - my thanks goes to those who organised the event and also to everyone who took part.

I wish to extend sincere thanks to Mrs Pam Speight who has been teaching in Room 9 this term. As a staff we have appreciated Pam's contributions to our school and I know that the students in Room 9 have also enjoyed having Pam as their teacher. We wish Pam all the best as she takes up a position at Nelson Central School.

This week our classes have been sharing their learning about technology focused on Matariki with each other. The digital content of this unit has really appealed to students and you will be able to see examples of their learning by video - the link will be emailed to families on Friday.

What a busy ten weeks this term has been! Sincere thanks to everyone who has supported our school in some way, including class trips, in-class programmes, sports events and fundraising activities. The ongoing support from our families is paramount to the success of our teaching and learning programmes.

Best wishes for a relaxing holiday break. Holidays are a fabulous opportunity to spend time with your family: walks in the park, trips to the playgrounds, bike riding and reading together are all enjoyable, inexpensive activities to share together.

I look forward to welcoming everyone back to school for Term 3 on Monday, 23 July at 8.55am.

Noho ora mai

SUPPORT SUSTAINABLE COASTLINES MOBILE PHONE APPEAL

It would be great if you could rummage around in your drawers and toy boxes and bring into School any unwanted mobile phones you may have. Help our School gain valuable rewards and the environment benefits too by keeping our landfills free of mobile phones and their array of hazardous toxic substances. Please drop the phones in the box in the Admin Block foyer.

KAN TABS FOR KIDNEY KIDS

(AND SCREW TOPS FROM WINE BOTTLES)

Your contribution **DOES** make a difference. Collect tabs and tops from your relatives, friends and neighbours.

*"Each time a tab is torn from a can and placed in a pocket or a bag, a conscious thought is made to support a sick child." The Kan Tab is **A Symbol for Hope**. It is estimated that one tab is worth one second of hope and support for a child waiting for a better chance of life through dialysis or a kidney transplant.*

When you have a beer, a coke or any of your favourite beverages, or open a tin - tear off the tab and save it. Screw tops from wine bottles are also part of this campaign.

Keep the Kan Tabs and screw tops separate and take them to Nayland Primary School office.
