Kia Ora Parents and Whanau

Today we have three staff members from Lime Hills School in Southland visiting Room 8 to learn about play based learning. Great learning occurs for teachers when we get to discuss what we are doing with our colleagues. We are enjoying hosting these teachers and learning from them while sharing our practice.

Thank you to everyone who donated to Daffodil Day last week. A total of \$386.80 was raised and has been forwarded to the Cancer Society. Again, thank you for your generosity!

Yesterday I had the privilege of attending the Maunga Syndicate Speech Competition. I was impressed by the creativity of some of the speeches, the language used and the research that had been done to support ideas presented. Well done to all class finalists and a special congratulations to the 2018 Speech Contest winner *Matilda, Ciara* who was placed second and *Mia* who was placed third. It takes courage to present in front of your peers and all finalists are to be congratulated on their presentations.

On Tuesday all students from Maunga Syndicate participated in the Stoke Cluster Schools Winter Tournament which was a fabulous opportunity to play a sport that you don't normally play. Although the grounds were soft and it was a bit chilly at Saxton Field, our students were great ambassadors and had an enjoyable day out.

Next week is Te Wiki o Te Reo Maori. To celebrate speaking in Te Reo Maori staff will be trying lots of new phrases in the staffroom and in their classrooms, and over lunch times students will be encouraged to speak some Te Reo Maori. Teachers and students will be supporting each other and sharing these learning opportunities.

Today and tomorrow I am at Lake Roto-iti for the Nelson Marlborough Combined Principals' Conference. The main guest speaker for the conference is Wayne Craig, who comes with a wealth of knowledge on leadership and student learning; and how curiosity and engagement underpin successful outcomes for learners. I look forward to sharing some of this information with you after the conference.

SUPPORT SUSTAINABLE COASTLINES MOBILE PHONE APPEAL

It would be great if you could rummage around in your drawers and toy boxes and bring into School any unwanted mobile phones you may have. Help our School gain valuable rewards and the environment benefits too by keeping our landfills free of mobile phones and their array of hazardous toxic substances. Please drop the phones in the box in the Admin Block foyer.

KAN TABS FOR KIDNEY KIDS

(AND SCREW TOPS FROM WINE BOTTLES)

Your contribution **DOES** make a difference. Collect tabs and tops from your relatives, friends and neighbours.

"Each time a tab is torn from a can and placed in a pocket or a bag, a conscious thought is made to support a sick child." *The Kan Tab is **A Symbol for Hope**. It is estimated that one tab is worth one second of hope and support for a child waiting for a better chance of life through dialysis or a kidney transplant.*

When you have a beer, a coke or any of your favourite beverages, or open a tin - tear off the tab and save it. Screw tops from wine bottles are also part of this campaign.

Keep the Kan Tabs and screw tops separate and take them to Nayland Primary School office.
