Kia Ora Families and Whanau

WELCOME to the 2018 school year!

A very warm welcome is extended to all our families and especially those new to Nayland Primary. A special welcome to our new staff members: Assistant Principal Ms Pip Grey, teaching in Room 7; Mrs Roz Waters, teaching in Room 5; and Mrs Leanne Watson, teaching in Room 11.

Being involved in a school, whether it be teaching, administration or caretaking and cleaning, there is always work to be done in holiday time. My sincere thanks to staff who have been at school over January preparing for the new school year. Helen, Joan and Carol have been busy in the office with administration tasks and stationery sales; Terry and the cleaning team have the school in tip top condition; and the teaching staff have had four Teacher Only Days, as well as planning and organising learning experiences in their own time. We are all looking forward to the learning, celebrations and challenges that this year will bring.

It has been interesting watching the improvements to classrooms 9 – 16 over the holidays! Unfortunately there will be a little disruption to classes when the windows and doors go in on Wednesday and Thursday. Children will go to their classrooms when the bell rings at 8.55am and the teachers will then let them know where they will be while the doors and windows are installed. Once the decks are complete these rooms will be great to work in.

To our families, thank you for purchasing stationery, having your children in the correct uniform and ensuring that they are at school in time to meet and greet their friends, as well as getting ready for the day before the 8.55am bell. Being well prepared helps students settle into routines and have a positive start to their school day.

Our first event for families this term is the **Meet the Teacher Evening** to be held on Wednesday, 14th February. There will be a free sausage sizzle for families, or you can bring a picnic tea/fish and chips etc from 4.45pm. Each Syndicate will have 30 minutes where parents/caregivers go into their children's classes to learn about programmes and expectations for the year - times are :

Whenua Syndicate, Rooms 7 and 8 @ 5.30pm;

Awa Syndicate, Rooms 14, 15, 16 @ 6.00pm;

Moana Syndicate, Rooms 9, 10, 11, 12, 13 @ 6.30pm; and

Maunga Syndicate, Rooms 1, 2, 3, 4, 5, 7 @ 7.00pm.

Our staff will look after children while families are involved in these meetings. We encourage all families to attend so that you are well informed about the year ahead.

Future newsletters will be placed on our school website each Thursday, www.naylandprimary.school.nz. An email is sent to you each Thursday morning, attaching the newsletter. Please call or send a note to the office if you are unable to access the internet to read the newsletter.

I've really enjoyed the four Teacher Only Days with our staff preparing for the year ahead and I'm excited to be starting another school year with our Nayland families.

Noho ora mai ra,

Janice Gulbransen
PRINCIPAL

NELSON MARLBOROUGH DISTRICT HEALTH BOARD UPDATE :
PERTUSSIS (WHOOPING COUGH), MUMPS and MEASLES PREVENTION

Pertussis (Whooping Cough)

- Currently this region is experiencing an outbreak of Pertussis, expected to continue for some months.

Mumps

- We have seen confirmed cases in cases in our Region 2017, and further cases in 2018 including a local outbreak.

Measles

- The proportion of our population immunised is below 95%, therefore we are at risk of further outbreaks.

Immunisation

- All the above contagious diseases can cause severe illness, and on occasions can be fatal.
 - We have seen a very good proportion of children immunised for many vaccines.
 - The start of the school year is a good time to check your children's immunisations are up to date, and where appropriate your own too.
 - If you are unsure whether your children are covered please contact your family doctor or practice nurse.
 - Please note that pregnant women are eligible for free pertussis immunisation which will protect their new baby in the first weeks of its life before she/he is able to have their first immunisation.
 - Please also note adults born in 1969 or later can get the measles, mumps and rubella (MMR) for free.
- Some further information can be found on the attached web links;
